GENERAL LIST OF PERENNIALS

For the Hardy Border and Cut-Flower Purposes

In selecting a general line of Perennials for all purposes, please consult all other groups listed. The necessity of florists having "a patch of Perennials for cut-flowers" is beyond question. It furnishes a continuous supply of flowers when other flowers are scarce within your immediate reach. No ordering, waiting nor express charges and bills to pay. You will be surprised what it will do for you. Do not forget varieties under Novelties and Daisies when ordering. **STRONG, FIELD-GROWN STOCK**

All varieties suitable for cut-flower purposes are marked with a (*).

A FEW POINTERS TO REMEMBER

All our Perennials are strong, field-grown stocks.

All our Perennials have been transplanted into the field.

All our Perennials are shipped as dug from the field.

All our Perennials are shipped from young stocks; no old, overgrown stock.

All our orders are checked three times before going in the box.

All we work for is a larger Perennial business all the time.

DON'T FORGET PHLOX AND PEONIES

And anything listed on other side

HARDY PHLOX

(Our National Garden Flower)

We possibly grow the best Phlox that is being handled, because of our splendid soil and our liberal selection. Our collection of varieties is without question the best that is being grown anywhere. We believe in Phlox. They are the best garden flowers we have. Our Mr. P. Weller went to Europe last year and picked up a lot of new and splendid varieties, some of which we are listing this year, and many more to come in the future. All our Phlox are strong, one-year-old field-grown plants with all the roots as dug. No better plants on earth.

WELLER'S FORCING STOCK

Grown Well Cured Properly Graded Generously

One of our specialties is serving the florists, and it is therefor not surprising that we have studied their requirements. Our roses are exceptionally fine, strong, heavy flowering canes, well selected and low budded. Our spiraea have always been satisfactory and we have grown them for a number of years.
